01-09-2026	Supreme Court Allows Assessee to Seek Limitation Relief Before GSTAT After Wrong-Forum Proceedings- Ajaybhai Natwarbhai ODD v. Additional Commissioner (Anti-Evasion)	**Facts**: The assessee had filed a writ petition before the HC and, during the hearing, sought permission to withdraw it with liberty to pursue the statutory appellate remedy before the appropriate forum. The HC permitted withdrawal of the writ petition and granted liberty to the assessee to approach the GST Appellate Tribunal (GSTAT). Aggrieved by the HCs order, the assessee filed an SLP before the SC and sought to preserve its grounds for consideration by the GSTAT. **Decision**: The SC found no ground to entertain the SLP and accordingly dismissed the SLP. The Court reiterated that the assessee could raise all grounds before the GSTAT, including those urged in the SLP. The assessee was also permitted to seek relief u/s 5 and 14 of the Limitation Act, 1963, which the GSTAT was directed to consider sympathetically since the assessee had pursued its case before the wrong forum. 31-08-2026	Consolidated SCN and Merits-Based Disputes to Be Challenged Before Appellate Authority- Supra Enterprises v. Assistant Commissioner	**Facts**: The petitioner, a GST-registered partnership firm, was audited for July 2017 to March 2022, and discrepancies relating to ITC, RCM and exports were found. A Section 74 SCN was issued alleging fraud and suppression of facts. The petitioner disputed the demand and alleged that its replies and documents were not properly considered. The petitioner also challenged the consolidated SCN covering multiple financial years and approached the HC under Article 226 after the demand was confirmed. **Decision**: The Court held that the petitioner had been given adequate opportunity of hearing and its grievances mainly concerned merits and appreciation	W.P.(C) No. 11352 of 2024

		of evidence. A consolidated SCN for multiple financial years was not, by itself, jurisdictionally invalid; limitation issues could be examined in appeal. Since an effective statutory remedy u/s 107 was available, the writ petition was dismissed, with liberty to file an appeal.	
31-08-2026	Appeal Cannot Be Dismissed for Non-Attendance Without Adjudicating Merits- BA Continuum India (P.) Ltd. v. State of Maharashtra	**Facts**: The assessees refund claim was rejected by the original authority, following which it filed an appeal u/s 107 of the CGST Act. The assessee did not appear at the scheduled hearings, and the Appellate Authority dismissed the appeal for non-attendance/non-prosecution without examining the merits. The assessee challenged the dismissal before the Bombay HC, arguing that the appellate authority was required to pass a reasoned order on merits. **Decision**: The HC held that Section 107 does not permit dismissal of an appeal merely for non-prosecution and requires the Appellate Authority to adjudicate the appeal on merits. The impugned order was also found to be non-speaking and contrary to Section 107(12), as it failed to state the points for determination, decision and reasons. The Court quashed the dismissal and restored the appeal to the Appellate Authority for decision on merits in accordance with law.	WRIT PETITION NO. 3598 OF 2026
28-08-2026	ITC denial for belated return filing set aside in view of amended Section 16(5)- M. Natarajan v. Proper Officer/Commercial Tax Officer	**Facts**: The petitioners ITC claim was rejected because GST returns were filed beyond the time limit prescribed u/s 16(4). Subsequently, Section 16(5) was inserted, re-fixing the time limit for filing returns and claiming ITC. The petitioner challenged the ITC denial, relying on the amended provision. **Decision**: The Madras HC held that the amended Section 16(5) had changed the applicable timeline for claiming ITC. Since the ITC denial was based solely on the earlier time-bar u/s 16(4), the rejection was unsustainable. The Court partly set aside the order to the extent of the ITC denial on account of belated filing.	WP No. 33196 of 2026
28-08-2026	GST Registration Cancellation Quashed for Denial of Effective Hearing; Revocation Application Permitted- Super Enterprises v. Union of India	**Facts**: The petitioner failed to file GST returns for six months, resulting in the cancellation of his GST registration. The SCN allowed 30 days for a reply but fixed the personal hearing before the expiry of that period. The petitioner subsequently filed the pending returns and paid the taxes, late fee, and penalty, but his appeal was dismissed as time-barred. **Decision**: The Court held that fixing the hearing before expiry of the reply period was an empty formality and violated natural justice. The appellate order was set aside considering the serious impact of cancellation on the petitioners livelihood. The petitioner was permitted to apply for revocation of cancellation within three weeks, without rejection solely on limitation.	Civil Writ Jurisdiction Case No. 6588 of 2026
28-08-2026	Proportionate Refund of Pre-	**Facts**: IBM faced a GST demand of Rs. 48.97 crore and made the required 10% pre-deposit for filing an	WRIT PETITION (L)

	Deposit Allowed for Demand Set Aside in Appeal- IBM India (P.) Ltd. v. Union of India	appeal. The First Appellate Authority dropped Rs. 31.46 crore of the demand and sustained Rs. 17.51 crore; the Department did not appeal against the dropped portion. IBM sought a Rs. 3.14 crore proportionate refund, but the Department rejected it because IBM intended to appeal against the remaining demand. **Decision**: The Bombay HC held that the proceedings had attained finality to the extent of the demand dropped, notwithstanding IBMs proposed appeal against the balance demand. IBM was entitled to a Rs. 3.14 crore refund, representing the 10% pre-deposit attributable to the demand set aside. The Court quashed the rejection order and directed refund within six weeks, holding that retention of the pre-deposit was unauthorized.	NO. 38052 OF 2025
27-08-2026	ITC Cannot Be Denied for Suppliers Default; Mechanical Section 74 Invocation Quashed- Cart Infralog Ltd. v. Additional Commissioner	**Facts**: The assessee claimed ITC supported by invoices and proof of receipt and payment, but suppliers had not paid tax, and the invoices were absent from GSTR-2A. Department had initiated proceedings against the defaulting supplier but also sought recovery from the assessee. The section 74 was invoked for FY 2018-19 despite the assessee claiming that the demand was time-barred u/s 73(10). **Decision**: Supplier default or non-reflection in GSTR-2A could not automatically deny ITC to a bona fide purchaser absent collusion. Mechanical invocation of section 74 to overcome limitation was without jurisdiction. OIO and recovery notice were quashed, and the matter was remanded for fresh adjudication.	WPA No. 16556 of 2025
17-08-2026	FD interest of charitable trust taxable as revenue income absent specific donor direction for corpus treatment- St. Joseph's Development Trust v. Income-tax Officer Exemption	**Facts**: The charitable trust earned approximately Rs. 1.82 crore as fixed deposit interest, of which Rs. 94.67 lakh was credited directly to the SJDT Sustainable Fund instead of the Income and Expenditure Account. The trust claimed that the amount represented interest on SHG/donor funds held in a custodial capacity and that it should be treated as corpus/exempt u/s 11(1)(d). The AO treated Rs. 94.67 lakh as taxable income, and the NFAC and ITAT upheld the addition, leading the trust to approach the Madras HC. **Decision**: The Court held that FD interest is revenue income and cannot be treated as corpus u/s 11(1)(d) without a specific written direction from the donor that such interest should form part of the corpus. The Court rejected the diversion by overriding title argument, holding that interest accrued to the trust and any subsequent transfer or use for SHGs constituted application of income. The Court held that treatment in an earlier assessment year did not prevent taxation in the current year and therefore dismissed the appeal, affirming the addition of Rs. 94.67 lakh.	T.C.A. No. 124 of 2026
31-07-2026	Reopening Beyond Four Years Invalid for Deemed Dividend	**Facts**: The assessees original assessment for A.Y. 2012-13 was completed u/s 143(3) after examination of its financial records. After nearly four years, the AO	R/SPECIAL CIVIL APPLICATION

	Assessment- Jorss Bullion (P.) Ltd. v. Income-tax Officer	reopened the assessment u/s 148, alleging that loans received by the assessee constituted deemed dividend u/s 2(22)(e). The assessee disputed the allegation, stating that the common shareholder held only 4.60% in it and that it was not a registered shareholder of the payer company. **Decision**: The Court held that reopening after four years was invalid because the assessee had fully and truly disclosed all material facts during the original assessment. The Court held that Section 2(22)(e) was not applicable since the assessee was not a registered shareholder of the payer company and the common shareholders interest was only 4.60%. The HC quashed the Section 148 notice, reassessment order and consequential demand notice.	NO. 23191 of 2019
31-07-2026	Pre-deposit Rule Cannot Apply Retrospectively to Pending GST Appeals- Gaurav Jain v. Joint Commissioner (Appeals-II) CGST Delhi Zone	**Facts**: The SCN dated 25.06.2025 was issued proposing quantified penalties u/s 122(1A) against the petitioners, without any tax demand. The OIO dated 16.12.2025 imposed penalties of Rs. 346.55 crore on each petitioner, after the amended Section 107(6) became effective from 01.10.2025. The petitioners challenged the requirement of 10% pre-deposit, contending that their appellate right had vested when the SCN was issued, before the amendment. **Decision**: The Delhi HC held that the right of appeal is a substantive right and the lis commenced with issuance of the SCN on 25.06.2025. Since the SCN preceded 01.10.2025, the unamended Section 107(6) governed the appeals; hence, the subsequent 10% penalty pre-deposit requirement did not apply. The Appellate Authority was directed to entertain the appeals without insisting on the 10% pre-deposit, subject to payment of any admitted amount u/s 107(6)(a).	W.P.(C) No. 8414 OF 2026
